

Cranberry Lip Scrub!

As the colder months approach dry lips are almost inevitable. This cranberry lip scrub is perfect to help exfoliate and rejuvenate leaving your lips soft and smooth! A lip scrub is best used at night just apply and gently exfoliate using your fingertip then wash off or put in a tube and rub over lips in a circular motion.

This formula is especially formulated with all the best cranberries have to offer! Cranberry Seed Oil has omega 3 and 6 fatty acids, antioxidants and helps relieve skin irritation. Castor Oil is full of fatty acids and a great skin protector. Vitamin E is an antioxidant and will help keep your oil staying fresh longer. Cranberry Butter is a delightful mix of shea, jojoba, and cranberry fruit! The last most important ingredient is granulated sugar creating the exploitation!
